## Why Summer Camp

**Y**ou can't take the "Outing" out of Scouting. The outdoor program is a feature of Scouting that appeals to boys, and a week at one of our summer camp is a mountaintop / lakefront experience. No young man has ever forgotten his experiences from summer camp. Consider also that a unit on its own can't duplicate the program, facilities, and equipment. Our camp provides a variety of programs, air-conditioned dining hall, fully stocked trading post, **NEW** showers and restrooms and other facilities to match your unit's needs and desires.

**Program** - Our advancement opportunities are second to none! New Scouts can take advantage of our TNT program to work on their Tenderfoot, 2<sup>nd</sup> Class, and 1<sup>st</sup> Class rank requirements. All Scouts may work on merit badges toward advancements. Advancement is a prime reason a boy stays in Scouting...it is a measure of his success in the program. We recognize that no two Scout troops are alike. That's why Scout troops can develop a program at our camps that suits their individual needs.

**Staff** - We have enthusiastic, well-trained staff members available to assist your troop with our program - whether for fun or for training. We begin the selection and training process for next summer as soon as the previous summer ends. Training is an ongoing process, which directly relates to your troop's successful summer camp experience.

### **National Camping**

**Standards** - A team that represents the National Office of the Boy Scouts of America inspects our camps annually. We pride ourselves for not only meeting but exceeding all standards and regulations. Strict health and safety standards are maintained at all times. Emergency facilities are available and trained medical personnel make

medical checks.

**Food** - Professional cooks manage our camp's food service. Three well-balanced meals are served every weekday by our enthusiastic staff.

As you turn through these pages, let us show you why Camp Rainey Mountain is the camp you want to experience.

**Please read this guide thoroughly, write down any questions you may have, and then read it again. If you still have questions, please do not hesitate to contact us.**

# Camp Program

## TNT The New Scout Trail

TNT is for new Scouts or “first-year campers” who have yet to reach the rank of First Class. The TNT course is a great way for your new Scouts to get that advancement jump-start they need. Tailored to fit the individual Scout’s needs, each Scout will be placed in a patrol that fits him.

## Merit Badge Opportunities

This is an opportunity for Scouts to select from a list of many merit badges. Please note that some badges are more difficult than others and a **minimum age or camp experience** may be **recommended for the Scouts own benefit**. Lets keep camp a fun experience, and not just “school work”!

## Venturing Advancements

A growing number of older Boy Scouts are becoming Venturers and other youth are joining directly into the Venturing program. We would like to extend to them the opportunity to participate in our program toward their advancements. We have several classes designed to help them toward their Ranger award. Some classes are designated as Venturing specific and others are Boy Scout classes that may require additional

work beyond the scope taught in camp. Regardless, a Venturer will be challenged and enjoy a week at Camp Rainey Mountain. See page 16 for further info.

## High Adventure

At our camp, we offer several High Adventure programs for Scouts. To participate in the Trek, Climbing, COPE or Whitewater Kayaking program, a Scout must be at least 14 years old by January 1<sup>st</sup>, 2010 and have attained the rank of First Class. **ALL High Adventure participants must have a Annual Health and Medical Record (ABC)** (BSA Form# 34412A).

**“This is by far the best of the 5 camps we’ve been to!”**

– Glen Long, Troop 8, Greater Alabama Council

## How To Be Prepared for Camp

1. Before camp, know each Scout’s advancement status.
2. Determine which Scouts will participate in the High Adventure Program.
3. Process your unit’s *Merit Badge Course Schedule* using Online Coursework Registration in March.
4. Work on prerequisites before coming to camp.
5. Use the Patrol Method.
6. Let the more advanced Scouts help the younger Scouts.
7. Keep accurate advancement records.
8. Set a goal with each Scout...challenge him to do his best.
9. **Hint!** – **Hold a swim classification test prior to camp.** See “Swim Classification Procedures” # 19-122  
**(This can streamline your Sunday check-in.)** This was very successful in 2009 Note: Every Scout in camp must take or must have taken the swim test.

**See the “Program Section” of this guide for additional information and instructions on coursework registration.**

## CAMP RULES

Although the SCOUT LAW and OATH should be the only rules a Scout needs, the following is a list of policies and standards that have been established to ensure that our Camps continue to maintain our excellent safety record:

1. B.S.A. Youth Protection Guidelines apply in camp! ALL Leaders and **Parents** are REQUIRED TO BE TRAINED!
2. NO radios, CD players, MP3 players, or video games. "Talk-about" type two-way radios are **NOT** allowed or to be used by Scouts (leaders are O.K. with *discretion*), as they are the official communications system of the Camp Staff.
3. NO rock throwing of any kind.
4. NO fixed-blade sheath knives allowed.
5. NO firearms or any kind of ammunition may be in the possession of any Scout or Adult.
6. NO fireworks of any kind allowed in camp.
7. NO pets or other animals should be brought to camp. (Seeing eye dogs permitted)
8. Do not use aerosol cans in campsites.
9. All white gas lanterns, propane lanterns, stoves, etc., are to be filled and stored ONLY by adults. Fuel must be secured and locked away.
10. All cars will remain in the parking area while at camp. The only exception will be service vehicles and those used to transport handicapped Scouts and adults.
11. NO Drugs or alcoholic beverages are allowed at camp.
12. NO fires or open flames are allowed in tents, Adirondacks, cabins, or any other structure at camp.
13. SHOES MUST BE WORN AT ALL TIMES in camp.
14. Anyone leaving camp at any time must sign out in the camp office.
15. Each unit must have adult supervision (over 21) at ALL TIMES while at camp (minimum 2 adults).
16. Medication for Scouts is to be kept at the Health Office and is to be administered by the Health Officer.
17. NO smoking in any buildings or in the presence of Scouts.
18. The Scout Uniform, correctly worn, (shirts buttoned and tucked in!) is the most proper dress.
19. All Scouts are to behave at all times in accordance with the Scout Oath and Law. Campers, Leaders & Adults who do not act like Scouts are subject for review by their local Scout leaders and the camp management. Any person who violates laws or endangers anyone may be asked to leave the camp immediately. It will be the responsibility of the individual Unit's leaders and/ or parents to remove the Scout/Adult from the camp within a designated time decided by the Camp Director. If a camper, leader or adult is sent home, no refund will be given for program or services missed.
20. Camp should be operated for all in attendance in accordance with the information in the **Guide to Safe Scouting and Youth Protection Training**. Any violation of these guidelines is to be reported to the Camp Director or his designee. All unit leaders are expected to follow these guidelines at all times. (The Guide To Safe Scouting is available online)

**"The Camp Staff** was great and, as always, very helpful with making the week a great success. All departments made sure that camp was the best it could be." — Glen McGee, Troop 737, Summerville, SC

**DRUGS and Alcohol:** Drug laws will be strictly enforced according to the criminal code of the State of Georgia. Alcohol use is strictly prohibited on Northeast Georgia Council, BSA property.

**FIREARMS:** Firearms and ammunition are available at the camp for use ONLY on the rifle / shotgun range. **NO OTHER FIREARMS WILL BE PERMITTED IN CAMP.** **Do NOT** bring your personal firearms or bows.

**IMMUNIZATION:** The State of Georgia Immunization Unit requires all attendees to have adequate immunizations. Many teenagers are not fully protected against all preventable diseases such as measles, mumps, and rubella. Those listed on the medical forms must be obtained prior to arrival at camp.

**UNIT LEADERS:** Each unit must have two registered adult leaders in camp at all times. One leader must be at least 21 years of age and the other leader must be at least 18 years old. In most cases the committee will be able to secure the services of their regular unit leader. Quality, trained leadership is a prime committee responsibility and will be paramount to the success of your unit in camp, and of course TWO ARE BETTER THAN ONE. Many committees have been successful in arranging for two or more leaders to go to camp. Both have more fun and the operation of the troop becomes more efficient. If there is a substitution of the troop leader (over 21) then there should be an overlapping period of time during which both adults are in camp in order to maintain program continuity and adult supervision over the troop at all times.

**Troops should bring U.S., Troop, and Patrol Flags.  
Remember, camping is done using the Patrol Method.**

## Camperships

The Northeast Georgia Council has a limited number of Camperships available for Northeast Georgia units that participate in our annual **Family Enrollment, Trails End Popcorn Sale** and the **Camp Card Sale**. These camperships are endowed by funds raised in these two sales. Camperships are available by application using the **"Specific Assistance Request Form"**.

Some Scouts or families may give you an excuse as to why they are not attending camp. Please discreetly investigate, and if it is a financial issue let them know of available funding.

See the "Fees Section" of this guide for more information on campers fees.

***Please don't let any of your Scouts stay at home because of financial need!***

**"You have a beautiful, beautiful property!"**  
Debbie Baker Robinson, Troop 128, South Florida Council

Based on past camps we recommend that Scouts bring \$57.00 plus fees for additional classes.

## BARRIER FREE

The Northeast Georgia Council has dedicated time and energy to make our camps the finest and most accessible facilities anywhere.

The Johnson & Johnson Barrier Free Campsite at Camp Rainey Mountain is part of that commitment. This campsite is available to units who have members with special needs. It is reserved on a first come first served basis. If it is not available for the time your unit is scheduled, please contact the Council Program Director for possible alternatives for your needs.

The Johnson & Johnson site is located near the waterfront area adjacent to the Russell campsite. This central location makes it easily accessible to nearly all other areas of camp. The site is equipped with four extra-large 3-man tents that are fully wheelchair accessible. Special needs facilities (showers & bathrooms) are also located at the Johnson & Johnson site. These restrooms are conveniently available for the use of special needs Scouts and adults.

Our new **Showers and Restrooms** located next to the Maupin and Alto campsites are also barrier free.

We have added a limited amount of **electrical outlets** in selected campsites specifically for the convenience of special needs Scouts and Adults who must have their appliances powered. Please contact the Camping Department in the council office if your unit has this need.

## SWIM TEST

All Scouts and leaders attending Summer Camp must take the Boy Scout swim test. The BSA Swimmers test should be re-taken by all participants every 12 months or when the troop attends camp. **The troop may also hold their own "troop swim check" in accordance with B.S.A. Standards, (see "Swim Classification Procedures" # 19-122 in the forms section of this guide).**

**SPECIAL HINT!!!** (Yes, you can do your own prior to camp!) Units that have already completed their swim tests before arrival to camp...should present a copy of the results at check-in. Those units will receive their "Buddy Tags" at that time. The Unit Leader administering the BSA Swim test must be certified in Safe Swim Defense (this training is also held at Summer Camp). The Unit Swim Classification form must be certified by the Aquatics Director upon arrival at camp. The Aquatics Staff reserves the right to re-test any Scout in their swimming ability while at camp.

*This can really streamline your Sunday afternoon!*

**Any Scouts or leaders that didn't do an early swim test will do so on Sunday.** As soon as your Troop Guide leads you to your campsite, your boys should prepare to take the swim test. Upon arrival at the waterfront your unit will be issued Buddy Tags. All Scouts and leaders will be classified according to their swimming ability on the following scale:

**Non-swimmer:** One who does not meet "Beginner" swimmer requirements.

**Beginner:** One who can jump into water over his head and swim a minimum of 50 feet using any stroke, with at least one sharp turn, but has not met the Swimmer requirements.

**Swimmer:** One who can jump into water over his head, level off and swim 75 yards in a strong manner using the trudgen, crawl, sidestroke, or breast stroke (with proper breath control) and then swim 25 additional yards using the elementary backstroke, be able to float on his back with a minimum of movement.

At our camps it is our aim that all youth be able to enjoy our Waterfront Area. This year we will again be offering swimming lessons aimed at non-swimmers and beginners with the goal of helping the Scout pass his BSA swim test before the end of the week. See the Program Section for the class periods that this will be offered.

## VEHICLES IN CAMP

**NO VEHICLES WILL BE ALLOWED BEYOND THE HEADQUARTERS BUILDING.** All vehicles must be parked in the camp parking lot. Note: The camp ranger will be available to move troop gear to and from campsites during Sunday check-in and Saturday checkout. Troops must be prepared to "backpack" all gear brought to or from their campsite during the week. We will allow one vehicle per troop to carry gear during

Sunday check-in and Saturday checkout (one trip only, **No buses will be permitted on the camp roads**). The speed limit throughout camp is **7 mph**. **While traveling on camp roads turn headlights on bright and use hazard flashers to alert any Scouts on camp roads.** Also remember to wear seatbelts at all times.

**Troop Trailers** are permitted in the designated areas at certain campsites.

**TELL YOUR PARENTS AND LEADERS** that **BSA policy prohibits anyone from riding on fenders, hoods, and trunks of cars or in the open beds of pickup trucks.** Untrained parents seem to be our worst offenders, be sure to share these rules with them before camp. Please help us to maintain our Camps' high standards of safety by abiding by these rules.
