

# Scouting for Food

**Make your unit's plans now !**

The Atlanta Area Council is sponsoring *scouting for Food* again in 2012.

We need your help to put a stop to hunger !

## Here is what you do:

- Recruit your **Scouting for Food** Unit Chair - someone that will organize and promote the project and be a liaison between your unit and your District **Scouting for Food** Chair. Fill out the info form and return it to Donna Vinson.
- All **Scouting for Food** Unit Chairs should attend the January roundtable for details.
- Have the Unit Chair register your unit on the council website. Be sure to get a good count of how many Scouts you expect to participate for the patch and bag request order.
- In March, Scouts will distribute the flyers to homes with instructions on pick-up.
- Later in March, Scouts will pick-up the full bags of canned goods and other non-perishables from houses and deliver them to the unit's chosen location.
- Count and collect the food, load into vehicles and deliver it to the specified collection location.
- Food collected in the Foothills area will remain in the area for use by organizations like Storehouse Ministries.
- *Did you know?* From January thru November 2011, Storehouse Ministries alone has distributed 7,794 boxes of food weighing 40-45 pounds each (1,315 boxes just in November, helping 1230 households).
